Late Count Puts Bob 100,000 Ahead Of Cal

BROOKHART FORGES AHEAD, UNOFFICIAL FINALS INDICATE

Des Moines, Ia. — Unofficial but complete returns from all 48 precincts in Iowa Thursday morning showed that Senator Smith W. Brookhart was leading his Democratic opponent, Daniel F. Steeg of Ottumwa, by 1180 votes.

The unofficial vote from all precincts gave Brookhart 447,204, Steeg 446,024. While three missing precincts in Lee-co gave Steeg a lead, revolved figures from other counties showed Brookhart to more than hold his own over the figures reported on 2,439 precincts, which gave him a lead of 40 votes.

Blaine Follows Close on Heels of LaFollette with 80,000 Vote Lead

BERGER DEFEATS BRAUN

Impossible to Decide Fate of Amendments Until Late Re- turns Are Checked

By Associated Press
Milwaukee — Senator Robert M. LaFollette had accumulated a lead of nearly 100,000 votes over President Coolidge when the final unofficial election tabulation was made.

Following closely on the heels of the senior Wisconsin senator Gov. J. J. Ehlers was leading Martin Lueck by approximately 30,000 and the entire Republican state ticket was also elected by approximately the same figure.

A marked Republican victory also was scored in the state senate and assembly, where the Progressive candidates, with few exceptions were elected.

The representatives in congress from Wisconsin who were seeking election in each instance are all returned on the face of the unofficial counts. In the Fifth district, a part of Milwaukee, Co. Victor L. Berger, Socialist, and Ernst Braun found themselves in a close race from 630 votes, according to the newspaper tabulation. Both candidates have announced they will await the official count before offering congratulations to the winner.

Victor L. Berger has been declared a loser by "the daily" newspapers here. A fourth paper in first editions still finds that Braun is leading by a small margin.

The official count of the ballots was begun at 8 A. M. Thursday and until it is completed the result of Tuesday's balloting for the representative in the Fifth district will remain in doubt.

Mr. Berger issued the following statement:

"While the Socialists loyally supported LaFollette with their organization newspapers and their work and every other way, even with their money, the followers of LaFollette in Milwaukee did not reciprocate. LaFollette ran ahead of me in my district. The difference in LaFollette's vote and my vote in the Fifth district proves that his followers did not reciprocate even though we had an allegiance with LaFollette."

Latest tabulation on available figures on the three constitutional amendments show a total of 727 precincts reported out of 2,679 in the state. This total is not sufficient to establish a definite outcome of the balloting, which will be known until the official canvass, which began in most counties Thursday, is completed. The total so far as available shows:

For home rule, 139,638; against home rule 75,945. For forestry 144,761 against forestry 69,742. For additional courts 104,880, against additional courts 91,509.

UNMASKED BANDIT ROBS GAS STATION

By Associated Press
Milwaukee — An unmasked bandit who waited until the last sale of the day was completed, Wednesday night held up the Standard Oil Co. filling station at Eleventh and Burlingtons.

Harold Hayes, Marquette university student who was attending the station, was threatened with a gun and forced to turn over about \$50, the receipts for the day.

Hayes was counting cash preparatory to closing the station when the youthful bandit entered scooped up the money and escaped in an auto mobile. There apparently was only one man in the bandit car.

SLAYER FACES 25-YEAR TERM

Superior — The jury in the case of William Butts a former returned a verdict of second degree murder in Superior court Wednesday night after an hour's deliberation.

Butts was remanded to the custody of the sheriff Judge McKee will probably pronounce sentence tomorrow morning. It was said, Butts evinced no emotion when the verdict was given.

Second degree murder carries a sentence of from 14 to 25 years imprisonment. Butts was accused of shooting and killing Mrs. Emil Ylitalo, wife of a farmer residing fourteen miles east of here. The shooting occurred last July.

Late Count Increases Coolidge-Dawes Leads

New York — The Republican triumph in Tuesday's election assumes an even greater magnitude as the counting of the ballots nears completion.

Overnight returns not only boosted the total of electoral votes credited to Coolidge and Dawes but increased the likelihood that the new administration will have a dependable majority of its own party in congress.

They likewise lifted to new heights the vast republican majorities in several states already counted in the Coolidge electoral column and gave indications of depositing there all of the electoral strength now credited as doubtful.

The latest count to enter the triumph procession are Montana and Nevada, having between them seven votes in the electoral college. That would increase the party total to 371, or 108 more than is needed to elect. For a time LaFollette had threatened to capture one or the other but the figures available Thursday appeared to make both safety Republican.

The electoral bag of Davis and Bryan remained meagre at 139 and apparently the only chance of an increase was in New Mexico, where the Democratic ticket was holding the lead by only a scant plurality.

LaFollette's last opportunity to increase the electoral vote of the 12 given him by Wisconsin, seemingly blinged on the returns from the only other state remaining on the doubtful list—North Dakota—with two votes. Coolidge remained in the lead on the face of returns from two thirds of the state, but his plurality was diminishing as a mounting LaFollette vote came in from the country districts.

DOHENY'S MOTIVES PATRIOTIC, CLAIM

Los Angeles, Calif. — E. L. Doheny, oil magnate, whom the government accuses of obtaining for his Pan American Petroleum and Transport Co., certain Elk Hills naval oil leases and contracts by collusion and fraud was acting from the highest patriotic motives when he accepted the leases and contracts which the government now seeks to cancel, according to Admiral J. Launch War On Rats To End Plague

By Associated Press
Los Angeles, Calif. — With but one new death reported Wednesday—the first in 48 hours—health authorities combating pneumonia plague in Los Angeles were hopeful Thursday that the peak of the epidemic which originated in the Mexican quarter last month, had been passed.

Official records showed a total of 26 deaths since the beginning of the epidemic. Seven other patients still were under treatment in the isolation ward of the General Hospital.

An extensive rat extermination campaign aimed at the annihilation of all possible animal carriers of the disease was launched in the harbor district Wednesday, and all will work northward toward the center of Los Angeles.

MICHIGAN VOTE 3 TO 1 VICTORY FOR COOLIDGE

Anti-parochial School Amend- ment is Buried Under Two to One Vote

By Associated Press
Detroit, Mich. — With a vote of nearly three and one half times that of both his opponents, President Coolidge had a majority of more than half a million votes in Michigan when tabulation ceased here Thursday. Tabulation of 2,412 of the state's 2,775 precincts showed Coolidge 811,088, Davis 128,558, LaFollette 106,556.

Senator James Couzens was returned to the United States senate by a majority almost as large, defeating Dean Mortimer E. Cooley of the University of Michigan, Democrat. Governor Alex J. Groesbeck ran slightly behind the president and Senator Couzens, but still had almost a three to one lead over his Democratic opponent.

Michigan voted down three proposed constitutional amendments by decisive votes. The anti-parochial school amendment was buried under a two to one vote. A proposed amendment that would have imposed a state income tax received the worst hearing of all, with 2,233, or 71 percent, voting yes 162,014, no 714,584. The third amendment dealt with reapportionment.

Fond du Lac Man Found With Crushed Skull After East- ern Auto Party

New Haven, Conn. — Coroner M. A. Fanning, after the death of Charles S. Rogers, son of the Rev. and Mrs. E. Talbot Rogers, Fond du Lac, Wis., which occurred Saturday night when he was riding in an automobile owned and driven by Miss Marjorie Schneider, will be made public Thursday, the coroner said.

It was learned that two other automobile parties figured in the case but the names of those in the car were not divulged. That there had been drinking by those in all three cars is said to be an established fact.

It was hinted the coroner's findings would show Rogers' actions on the night in question led up to the tragedy, although no one will be held responsible for his death.

Rogers and Miss Schneider attended the Yale Army football game and soon after midnight he was found at the point of death, his skull fractured in Miss Schneider's car. Miss Schneider was in a faint nearby.

DRAW FROM INSURGENTS

Republicans Hope to Make Further Inroads on Demo- crats and Independents

New York — The fight for a working control of congress continues to be a close one, but it holds out the prospect that President Coolidge may have a manageable majority, though small, over the LaFollette insurgent balance of power, which during the present congress was hampered and thwarted many administration measures and policies.

Thursday more than 80 districts still were missing from the final tabulations, while the votes in close fights were being counted.

Conservatives Win Greatest Victory Of Modern History

Two Political Theories Were
Tested at Polls and Showed
People Consider Guild Indi-
vidual

BY DAVID LAWRENCE

Copyright 1924 by the Post Pub. Co.
Washington, D. C. — The conservatives have won their greatest victory in the era of modern politics in America. Democrats who feared the invasion by a third party of vested rights abandoned their party faith and tradition to join with Republican brethren in fighting their common foe—the radicals.

The victory of Calvin Coolidge is an anti-LaFollette verdict as much as it is an acquiescence in "things as they are." The president on the final count may poll a substantial margin above a complete majority.

In other words his triumph over his two opponents is cast cut. He is not a minority victor as Wilson was in the three cornered race of 1912.

The Democratic party was cut in half by the election. It lost more heavily to the third party than it did to the regular Republican ticket but the conspicuous fact is that if the total Democratic vote in the north and western states is added to the LaFollette vote there still is a comfortable margin for Coolidge. The effect of this will most certainly be felt in congress where, if Mr. Coolidge asserts himself as a leader he will feel more confident than before of the support of public opinion throughout the nation.

Two political theories were tested at the polls. One was whether a party could be held strictly accountable for the misdeeds of a few of its members, and the other was whether economic issues could be made paramount in the voter's mind. The people replied that guilt is individual, that Calvin Coolidge was not tainted with the scandals of preceding administrations and that his personal honesty and integrity were sufficient answer to the cries of honesty in government. Nobody in the senate or congress was held responsible by opponents asserted the Republican.

CORROBORATES THEORY

As for the doctrine that an administration in power cannot be overturned if business conditions are good and agriculture is faring well, this election furnished another corroboration. Just as in 1916, the administration was retained on the prosperity issue just as in 1920 it was voted out of power because of economic disturbance and the after-effects of the war, so did Coolidge benefit this time by the relatively high improvement in the business and farm world developed this year. Whether politics can make better times or save the day when distress comes is secondary to the important fact that the incumbent benefits when prosperity is either being enjoyed or near at hand. Unquestionably the American businessmen for the most part convinced themselves that the election of Coolidge meant better business for them. Most democrats in the north and west felt that way in mercantile circles. It ought to mean an unprecedented boom irrespective of whether it had a substantial foundation for business history shows that psychology often rules the day. If all the business men of the nation feel they can go ahead with plans of expansion because Coolidge is elected then the question of whether they should have held back to await the outcome of the election can be brushed aside as inconsequential. For they will no doubt derive considerable comfort and encouragement from the decisive victory given the most conservative of the large candidates.

Late Reports from Physicians Describe Condition as Hopeful

Cambridge, Mass. — The condition of Senator Henry Cabot Lodge who suffered a stroke Wednesday at the Charleston hospital here was declared in a bulletin issued at the hospital shortly after noon, to be "unchanged but hopeful."

Senator Lodge was still unconscious at the time the bulletin was issued having remained in that condition since he was stricken 31 hours before. The brief statement was signed by Drs. John H. Cunningham and Frederick H. Winslow, who have been in constant attendance on Senator Lodge since Wednesday.

RECAPTURE SENATE

In the senate the Republicans had recaptured seats in Delaware, Kentucky, Massachusetts and Oklahoma. At the same time they held them in contests in Colorado, Idaho, Illinois, Kansas, Michigan, New Hampshire, Oregon, Rhode Island and South Dakota, West Virginia and Wyoming.

Uncertainty as to the future of the complexion of the senate was intensified Thursday by the sea-sawing fight in Iowa between Senator Brookhart, a LaFollette supporter, and Daniel F. Steeg, a Democrat.

After conceding his defeat, Brookhart crept ahead of his opponent but the three missing precincts were a county where Steeg made a good run and there were indications that an official count would be needed to determine the result.

This contest did not have the effect on the calculations as to a republican majority in the next senate as the organization had nothing to gain irrespective of the final outcome.

In Minnesota a close race was being run right up to the wire between Magnus Johnson, the Farmer-Labor senator, and Representative Thomas D. Schall, a Republican, although the late returns showed Schall leading the picturequre Farmer-Labor senator stubbornly refused to concede defeat although he had held for the past two years as leader of a group holding the balance of power in senate and house.

Despite this situation the leaders of the LaFollette Independent group were planning Thursday to keep a party organization together for future campaigns. At the same time that the democrats buried under a second Republican landslide in 1924 were trying to do their best to get out far enough to the stock of the probable consequences to their party.

John W. Davis, the defeated Democratic presidential nominee, will take over the organization plan with National Chairman Stuart and other Democratic celebrities at a luncheon here Friday but it is probable that some time will elapse before there is a definite movement to put the party machinery into running order once anti-Lan forces.

LETTER FROM LESLIE PRESCOTT TO LESLIE PRESCOTT, CARE OF THE SECRET DRAWER

Well, little Marquise, I had a long visit and a most interesting talk with Ruth, and I am at-olutely all up in the air. I don't know what to do. It all seemed so easy when I was in New York. I was so happy to have \$6000 to put into the lingerie shop and enlarge it. Since I came home, however, Ruth has made me think that that \$6000 should be given back to Karl, and, of course, I know Karl won't take it. Everything connected with those pearls is to me something very sacred and sentimental.

On the other hand, Ruth thinks Jack will be perfectly furious when he finds that he is indebted to my former sweetheart for the money that got him out of his fix when he was gambling on the stock market. She says he'll have a fit every time he sees me wearing the pearls, and she can see no other way than that I should return them and the \$6000

to Karl. She is sure that Jack will insist upon that, and only after I have done that can I make a way for telling Jack all about it.

But you see, little Marquise, I have promised Karl to keep that uncanny string of beads, and besides—shall I confess it to you?—I have a very human objection to sending those pearls back, because I know my sister would gain her own selfish ends. In fact, little Marquise, I think perhaps this is the biggest reason of all why I don't want to give the pearls back—Alice has been so nasty about them.

Ruth also told me of another great reason why at this time we must not enlarge the shop. "I am not so sure that I can go on with the shop, Leslie," she said.

This struck me all in a heap, for I had no idea of anything of the kind. She has been so successful and seemed to be so happy in her work.

"You know," she explained, "that Walter Burke is on his way home,

and I have tacitly promised to marry him. I am not sure whether he will allow me to keep the shop after we are married. It all depends upon whether he wants to travel or whether he will be satisfied to set the town here. And even if he did settle down, would he like me to be in business for myself?"

"Then you have decided in your own mind to marry Walter Burke?" "Yes," answered Ruth hesitatingly. "He loves me. He has loved me for a long time and whatever Walter Burke's reputation with other women has been he certainly has been faithful—in his fashion—to me.

"This business has been a great comfort to me, Leslie. It has tided me over the hardest place in my life. I think perhaps nothing could have given me the self-confidence I needed to go on living except to be successful as I have been in my world. You see, I had been very unsuccessful as a wife. But oh, Leslie, I do get tired and lonely. After my day's work is done, when I go back to my little apartment, I am apt to have a few minutes, especially if I am very tired, devoted to self-pity. And I wonder what is the use of it all. Each one of these times makes my loneliness a little deeper, for you must know there is nothing as corroding and devastating as self-pity.

"We all of us want to be happy—selfishly happy. We want some one to be devoted, some one to whom we can turn longing, human loneliness."

"Do you think this longing is ever completely satisfied?" I interrupted.

"No, dear, that's why it is the great tragedy of humanity." (Copyright, 1924, NEA Service, Inc.) TOMORROW: Letter from Leslie Prescott to Leslie Prescott, care of the secret drawer, continued.

MAKES FAT PEOPLE SLIM

New York Physician Perfects Harmless Method of Reducing Weight

The loss of as much as a pound of excess fat a day with no harmful results is the record made by many patients of Dr. R. Newman, a licensed practicing physician of 86 Fifth Avenue, New York, who announces that he has perfected a treatment which has quickly rid fat people of excess weight. What is more remarkable is the Doctor's statement that he has successfully treated thousands of patients for fat reduction without change of diet or unnecessary exercises. It is also said that fat people who suffer from chronic rheumatism, gout, asthma and high blood pressure obtain great relief from the reduction of their superfluous flesh. Realizing that this sounds almost too good to be true, the Doctor has offered to send without charge to anyone who will write him, a free trial treatment to prove his claims as well as his "Pay-when-cured" plan. If you want to rid yourself of superfluous fat, write him today, addressing Dr. R. Newman, 86 Fifth Avenue, New York City, Dept. R-48.

LEGION POINTED FOR BATTLE AT SHIPYARDS CITY

Large Crowd of Rooters Will Accompany Squad to Manitowoc Sunday

Kaukauna—A record breaking crowd is expected to accompany Kaukauna's American legion football team to Manitowoc Sunday where the team will engage the pride of the Shipyard city, the team which for the last four years has had but one ambition, to beat Kaukauna. Local coaches are pointing the squad for that game and are carefully rehearsing all departments of the game.

Manitowoc has its strongest bet this season. This was shown earlier in the year when the legion was able to score only one touchdown on the lake shore team. Since then Manitowoc has undoubtedly increased its strength by the addition of stars and will be in the best possible condition to put a win over the legion.

The locals on the other hand, have also been strengthened since the Manitowoc game. Several men who played with the team in previous years, especially backfield men, have returned to the fold and the squad will be an imposing array in defense of its title. If possible the players will accompany fans in their private automobiles and in order to insure passage for all the management has asked all who will carry a player to notify him at phone 140-J.

Social Items

Kaukauna—Miss Viola Wolf entertained the Five Hundred club at her home, 411 Kline-st, Tuesday evening. Prizes at five hundred were won by Miss Florence Hoolihan and Miss Flora Seifert.

Miss Blanche Gerend entertained at her home, 112 E. Third-st Tuesday evening in honor of Mrs. A. H. Schroeder of Milwaukee, who is her guest this week. Mrs. Schroeder formerly was Miss Emily Archibald who was a frequent visitor in Kaukauna and is well known. Twelve ladies were present. Bridge was played and honors were captured by Mrs. Ray McCarry. Mrs. Edward Renick and Miss Amelia Mertes.

The Married People's Dancing club, which operated with success last winter, has again been revived and the first dance of the season will be held Thursday evening in Eagle hall. Dances will be held every two weeks hereafter in the dining room of Hotel Kaukauna.

Mrs. M. N. Niesen entertained 40 friends at a bridge party at her home, 203 Wisconsin-ave, Wednesday afternoon. Prizes at the game were won by Mrs. Charles Towsey, Mrs. Homer White and Mrs. L. E. Vandenberg. Dinner was served at Mulholland's Tea Shop. Out-of-town guests were Mrs. John Dengel and Mrs. Jacob Verner, New London; Mrs. H. J. Voss and Mrs. John Orlich, Chilton.

\$15 FOR EACH OF WORKERS ON VOTE COUNTING BOARDS

Councilmen Got Shock When North Side Workers Fail to Present Bill

Kaukauna—The city fathers received quite a shock at the monthly meeting of the common council Wednesday evening during the reading of bills presented by members of the election boards in the four precincts. Bills from the Third and Fourth precincts ranged from \$22.50 up. When Louis Wolf, city clerk, read the first name on the north side election board as follows: "Joseph W. LeFevre, 'nothin'" the worthy dads almost had an attack of heart failure and the magnanimity of people who would work two days on an election board without pay was commented upon.

However, the next name also read was followed by "nothin'" and the third, in short not one of the bills from the north side boards, 14 in all, had been filed out. The mayor suggested a rising vote; someone called for a band.

Then the bubble busted. Attorney LeFevre quickly arose and explained the bills had purposely been left blank since the amount to be paid for service is controlled by local statute. When recess was declared the bills were completed and the election helpers were allowed \$15 each, gladly for election board work is recognized as a "mean" job.

POSTOFFICE GETS READY FOR RUSH

Postmaster Advises Kaukauna Folks to "Do Their Christmas Mailing Early"

Kaukauna—In spite of the fact that we are being favored with fine autumn weather, the holidays are approaching and the postoffice department is the first to remind the people in general that there are only 48 more days until Christmas. Sundays and holidays included. In order that every one may have a merry Christmas and postoffice is once again opening its annual "do your Christmas mailing early" campaign, emphasizing the need of getting gifts into the mail in plenty of time, not only to insure their delivery on time but to prevent congestion in the service and to allow postal employees a chance to enjoy their holiday.

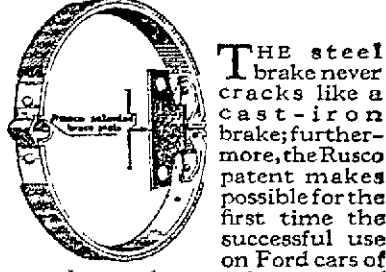

As usual the local office will make special provisions for the rapid and efficient disposal of outgoing as well as incoming parcel post and first class mail. The window at the extreme end of the postoffice lobby will be made into a parcel post station and the patrons sending gifts will be given the best of service.

Parcels will whenever expedient, be thrown directly into their proper pouches. Patrons once more are asked to have sufficient postage on their mail and above all to have it securely wrapped and properly addressed.

The local force will be increased as the Christmas season approaches. All incoming mail must be handled immediately upon receipt and if the public cooperates with the postoffice it will be a very merry Christmas for everyone.

WANT CITY TO PAY FOR DAMAGE CAUSED BY FIRE APPARATUS

Automobile Driver Says Fire Truck "Cut Corner" on Way to Fire

Kaukauna—A claim for \$64.75 damages resulting from a collision with the Ford chemical truck of the fire department about 9:30 last Sunday evening was informally presented at the monthly council meeting Wednesday evening by Charles Belling and his son Aloysius, driver of the Overland car which was damaged in the accident.

The Ford truck was making a second run to the residence of John Hoolihan. Archie Langdon was driving the fire apparatus north on Lawrence and Young Belling was driving south on the same street.

According to his story, the young man was watching another car approach Lawrence on Taylor-st. Although Lawrence is an arterial highway it cannot always be ascertained whether the approaching car will stop. It was said the fire machine cut the corner in going onto Taylor-st and the result was a collision with the Belling car. The matter was laid on the table for more complete investigation by the council.

A petition of residents and taxpayers was received asking for an abatement of the corner of Hendricks-ave and Twelfth-st. The petition was referred to the utilities committee.

Ballots for the special election on the bridge bond issue were canvassed. The official count gives the bond issue a big majority. The vote was 1,409 in favor and 265 against the first question and 1,425 for and 272 against the second question.

JINX FOLLOWING NEW LONDON H. S. FOOTBALL ELEVEN

Red and White Squad Hopes to Cop DePere Victory on Tuesday; However

Special to Post-Crescent

New London—New London high school believes that its football team is jinxed, especially after it lost to Menasha by a score of 15 to 7 last Tuesday. New London played splendid football but did not seem to be able to compete with the strong Menasha eleven, which was beaten by the Red and White squad last year, by a score of 59 to 0.

The Red and White team, although the season has shown up its opponents in one-half of the games, and usually has been outclassed in the other. Way this happens cannot be accounted for. In the last half of the Milwaukee game, the Red and White squad went through for a touchdown, also making two goals on passes and end runs, and holding the Blue eleven for downs time after time. The fact that Reddie was unable to make much of a showing, due to injuries received in the Oconto Falls game, also accounted for some of New London's hard luck.

Next Tuesday, Nov. 11, New London closes its football season for 1924, when the team meets East DePere at New London. The Red and White beat West DePere by a score of 20 to 14, and West DePere is considered this year to be superior to last year's team. East DePere, and New London is confident of winning the last game of the season. A large crowd will witness the game next Tuesday, Armistice day.

How To End a Cough Quickly

Specialists say to actually end a cough in the shortest possible time the medicine should not only soothe and heal the soreness and irritation, but should also loosen and remove the phlegm and congestion which are the real cause of the coughing. When this is done the worst cough quickly disappears.

This "double-action" method has been brought to perfection in the prescription known as Dr. King's New Discovery for Coughs. A few drops stop the coughing spells almost instantly, and people who have hardly been able to sleep at night for coughing usually get their full night's rest even after the first doses. It has been very successful, too, for children's spasmodic croup, for bronchitis, laryngitis, bronchial asthma and hoarseness. On sale at all good druggists. Ask for

Hot Contests Are in Progress in New London Bowling League These Days

New London—The New London Bowling league is well under way, and is enjoying some of its hottest and hardest fought games of the season. Competition is strong to see who will come out in first place at the end of the season. The Koffee Kitchens and the Chevrolets are now tied. Each team has played nine games, won six and lost three, giving each of them a score of 667. They are due to clash again on Friday, Nov. 7. Next in order in the city league comes the Maxwells who have played to a tie with the Soda Grills, each of them has played nine, won five and lost four, giving them a score of 655. Pulicks have played nine, winning a and losing six. Last are the Fordsons playing nine, winning two, and losing seven. Everett Cooley is still champ pin-buster, having rolled 278.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

Says Piles Heal Up and Disappear Forever

Seldom Fails to Give Absolute Relief from All Pain and Suffering. Guaranteed by Schlitz Bros. Co., Voigt's Drug Store and All Good Druggists.

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your druggist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing, anti-septic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained. MOAVA is one of the wonderful discoveries of recent years and any sufferer from Piles or Hemorrhoids who is disappointed with its use can have their money refunded. Schlitz Bros. COUNCIL WANTS TO
HEAR MORE ABOUT
PLANNING BOARD

Kimberly Stuart Gives Alderman an Idea of What City Plan Will Do

Neenah — Kimberly Stuart, chairman of the special committee appointed to consider the advisability of a new city plan, gave a very detailed report to the council at its meeting Wednesday evening.

The establishment of a residence district where a person could build a home and be assured of protection against any undesirable building being erected close by which would depreciate its value was sufficient reason alone for its establishment, he said.

Instead of discussing the question at the meeting, Mayor George E. Sande was instructed to call an informal session of the council some time before the next meeting for the purpose of giving it thorough consideration.

The resignations of D. J. Ryan of the Third ward and G. E. Walt of the Fourth ward as members of the school commission were accepted. Nathan Bergstrom was elected a member of the water commission to succeed E. E. Kampert, resigned. The matter of purchasing a new truck for the street department was referred to the street, highway and bridge committee which was instructed to report at the next meeting.

The street, highway and bridge committee was instructed to bring in a report at the next meeting relative to the installation of new curbs, bins and track equipment at the stone quarry.

The city clerk was authorized to return the two fire sirens tested out to the manufacturers as not satisfactory. The mill whistle will continue to be used until a satisfactory alarm can be procured.

Dance licenses were granted to Company I. S. Cook armory, and Neenah Amusement association. Non-intoxicating liquor licenses were granted to Schultz Brothers, Gus John & Son, and Al Housen.

IN SHED AT HOME

Otto Eisenach, Discouraged by Poor Health, Commits Suicide

Neenah—Otto Eisenach, who had been in failing health for some time, committed suicide by hanging Wednesday noon in a shed at his home, 324 Harrison-st. His body was found a few minutes later by Edward Whitman, a Wisconsin Telephone company employee, who notified C. H. Watts, chief of police.

Eisenach hung himself on a line which he fastened to a crosspiece of the shed less than six feet from the ground. He stood on a block of wood while he adjusted the rope and not being able to remove the block raised his feet and was found in this position by the head of the police department. Watts turned the body over to Charles Sorenson & Son, undertakers.

The deceased is survived by his widow and a daughter. The funeral will be held at 2 o'clock Friday afternoon at his home. Burial will be in Oak Hill cemetery.

Expect 750 for Annual Conference of Leaders of Badger Sunday Schools

Seven-hundred fifty boys and girls from all parts of Wisconsin will arrive in Appleton Friday for the annual state young peoples conference which opens its sessions at 1:45 in the afternoon in the auditorium of the First Congregational church.

This conference is conducted by Wisconsin Christian Educational council and is attended by representatives of Sunday schools of the various denominations in the state. Training for leadership and inspirational addresses and discussions concerning character and christian living are its main themes.

Meetings will be held Friday afternoon and all day and evening on Saturday and Sunday. Registration will take place at the conference headquarters at the Congregational church and sessions will be held there up to Saturday night, when the convention will be transferred to Lawrence Memorial chapel for the remainder of the time.

Delegates will be divided into perhaps three groups of fellowship dinners Friday evening. One will be held at the Congregational church for 250 persons and places of the others will be announced at the meeting Friday afternoon. Meals other than breakfast and Sunday dinner will be provided at various church diningrooms by groups of women.

Prof. M. A. Honline, Pasadena, Cal.; Mrs. Antonetta Abernethy Lamoreaux and the Rev. R. A. "Dad" Waite of Evanston, Ill., will be the main speakers.

COUNCIL AWARDS \$16,000 CONTRACT TO BUILD SEWER

Richmond-st Project to Be Started at Once, Council Orders

Construction of a sewer was ordered by the common council Wednesday night that will cost as much money as was estimated for the entire program for the past season. Contract for the big Richmond-st sewer was awarded to R. J. Wilson, contractor of Appleton.

The bid of R. J. Wilson based on the number of feet of each type of sewer and the cost of the pipe purchased by the city and other expenses amount to approximately \$16,000, or about \$10,000 more than the sewer contract originally awarded for that street.

The first contract, awarded to Herman Schaefer, called for installation of a 12-inch sewer all the way down from College-ave to Atlantic-st and from Second-ave to Atlantic-st. Following a complaint from residents of that vicinity relative to flooding of basements, the council negotiated with the contractor to cancel the contract.

Specifications were then prepared for a sewer of 15, 18 and 24 inches. Between College-ave and Franklin-st the sewer is to be of 15-inch diameter between Franklin-st and Packard-st is to be 18 inches and from there to Atlantic-st it is to be 24 inches. The sewer increases in size in the same manner from Second-ave to Atlantic-st. The depth of the sewer was changed to carry the water from College-ave into the Atlantic-st sewer instead of into the sewer running south through the ravine to the Fox river.

The sewer will be installed this fall and is the largest of any authorized, both as to size and as to length. The estimate for sewer expenditures this year was \$16,000, but sewers costing approximately double that have been authorized.

When Contractor Schaefer was called off the Richmond-st project and given a settlement for the cancelled contract, the council decided to purchase the pipe itself instead of leaving this to the contractor. Under this arrangement the project was hastened. R. J. Wilson will use a machine trencher for this job.

Adventures Of The Twins

THE MAGIC FORK

"So that's it!" cried Daddy Gander as he and the Twins looked into the Green Wizard's gazing ball and saw a surprising sight.

What they saw was the House-Jack-Built riding along on a cloud up in the sky, with dough sticking out of the windows. The house had dough sticking out of the windows. I mean, not the sky.

"What do you mean by saying, 'So that's it!'" asked Nancy. "What's it?"

The Green Wizard looked at Daddy Gander and Daddy Gander looked at the Green Wizard and they both nodded wisely at each other, and then Daddy Gander said, "The bread sponge. That's what's it. It's all the fault of the bread sponge."

"We don't know what you mean, sir," said Nick in a puzzled voice. "We don't know what you are talking about."

"Why," said Daddy, "don't you see? When Mrs. John Jack's mother, went outside the house to hang up her tea-towels to air on the clothes line, she began to talk to her neighbor, Mrs. Spratt, over the back fence, about the best way to make apple-butter, and she forgot all about her bread sponge."

"Well, it began to rise and it kept on rising until it raised the lid off the pan. Then it kept on rising faster and faster until it filled the kitchen and began to poke out of the windows."

"The next thing it did was to rise the little house up in the air and float away completely."

"Yes, sir! That's right," said the Green Wizard. "And there it is, up there in the sky with no more intention of coming back than last Christmas."

"Oh, dear!" said Nancy. "Then what will poor Jack do?"

"There is only one way I know of," said the Green Wizard.

"What is that?" asked Nick quickly.

"To get the magic fork," nodded the Wizard wisely.

"The magic fork?" cried everybody in surprise.

"Yes—the magic fork," said the Green Wizard. "If you find it you can poke it into the bread sponge, and let the air out. Then when the air gets out of the bread sponge, it will go like a balloon, the house will. It will settle right down to the ground again."

"How can we get the magic fork?" cried the Twins quickly.

"There's the rub," said the Green Wizard. "I'm not sure just where it is. But it is usually to be found with the magic teapot."

"I see you don't seem to know any more about the magic teapot than you do about the magic fork. So I'll tell you about it. Whoever has the magic teapot has only to say: 'Go, go your best. Or teapot, dear, I'll die of thirst!'"

"And instantly the teapot returns with any kind of refreshment one needs. Milk or water or lemonade or even ice cream soda. Anything at all. It is the same with the fork. Whoever possesses it says: 'Oh, magic fork, I'd like a treat. Please see what you can find to eat.'"

"Instantly the fork goes on a hunting trip. Whatever it touches sticks to its sharp points and it has been known to bring home a whole course dinner."

"Well, well, well!" said Daddy Gander.

Water Classes Of Womans Club Keep On Going

31 Tables Of Cards At Party In Eagle Hall

Thirty-one tables were in play Tuesday evening at the fourth of the series of card parties given by the Ladies Auxiliary of Eagles in Eagle hall. Prizes were won by Mrs. George Stewart and Mrs. Walter Koester at dice; Mrs. Peter Dohr at pumppack; Otto Kasten, Mrs. Elmer Johnston, and Mrs. L. Burmeister at schafkopf. The fifth of the series will be held at 8 o'clock Tuesday evening, Nov. 18, in Eagle hall.

DANCING PARTY WILL BE FEATURE OF HOMECOMING

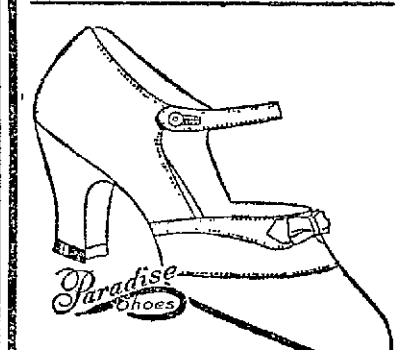

One of the big features of the Lawrence homecoming on Nov. 14 and 15 is the all-college dance which is to be held on Saturday night, Nov. 15, in Armory G, after the Lawrence-Hamline football game. The dance is being sponsored by the Appleton Alumni association of which R. K. Wolter is president, but the student homecoming committee has full charge of the planning and details. Marvin Kiel, general chairman, Austin Schroeder and Larry Lyons are the general committee in charge of the dance.

The dance will be open to only

ATTRACTIVE WALL PAPERS

—are not always those whose dominant colors attract instant attention.

Subtle low toned colorings when correctly used produce a splendid background, bringing into relief the various other appointments entering into the furnishing of the room.

There are many instances however, where a wall paper with bright pleasing colors adds cheerfulness and charm to what would otherwise be a sombre, unattractive room.

Our ability lies in being able to advise the proper wall hanging for each room in your home and based upon past results we are sure you will be more than pleased for having accepted our suggestions.

OFFER LOW FARES TO C. C. MEETING

Waste in Business Is Topic of North Central Division Convention

Members of Appleton Chamber of Commerce who wish to attend the mid-year meeting of the North Central Division "Chamber of Commerce of the United States" Monday and Tuesday, Nov. 17 and 18 at Claypool hotel, in a special will be able to secure fare and a half round trip tickets according to the local organization. They will be on sale at the chamber of commerce office from Nov. 13 to Nov. 18 and will be good until Nov. 24.

Waste and extravagance in business and government will be the main theme of the meeting. The subject of the meeting is to consider important national problems of the nation, particularly in the northern part of the Mississippi valley to advise the board of directors of the national chamber as to the action which this division believes the entire chamber should take and to recommend to the next annual meeting candidates for vacancies on the board of directors. Several important speakers are on the two day program.

President A. C. Remley will be the delegate of the local chamber. Prof. F. M. Insler also plans to attend the meeting.

Teach Sunday School Pupils Of World Peace

Regular instruction among Sunday school pupils concerning world peace has been inaugurated by the First Congregational church, making that body practically the first in the country to adopt this policy, and complying at the same time with resolutions adopted at the recent Congregational state conference at Beloit.

Dr. H. E. Peabody, pastor, has been one of the staunchest advocates of the doctrine that the churches should be the leaders in the movement for abolition of war and that their passive preaching to that effect should make way for an aggressive attack on the factors which plunge nations into conflict.

His convictions were prominent in the resolutions adopted by the conference. The recommendations were perhaps the strongest utterances made by a church body on this subject, one of the clauses declaring that the Congregationalists would place conscience above the edict of a nation in declaring war.

However, less education which will edify war and more that will praise and promote peace is an immediate aim of the churches. Recommendation has been made to the state board of education at Madison through the Beloit resolution that "textbooks be preferred for use in our public schools which shall exalt works and activities of peace more than those of war."

Another clause asks the Congregational Education society to prepare and introduce in the Sunday school lessons of the denomination a series on world peace. This is what the Appleton church has done. Peace lessons will be taught regularly one Sunday each quarter, just as a quarterly temperance lesson was a part of the pupil's curriculum.

TRAGEDY OF GOOD FAMILY IN NEWEST UNIVERSAL PRODUCTION

Good folk will get a thrill out of "Wine" the Universal level of all state production which opens at the Elite Theater tonight. It will afford the finest of opportunity to shake hands with themselves and say "I knew it all the time—and it's not to stop."

Referring not to the picture but to the condition revealed in the picture. For it's a realistic exposure of bondflocking and resultant conditions elaborately staged and convincingly portrayed. It is good entertainment from the dramatic standpoint, doubly so, educationally.

Even the most skeptical of the reformists cannot help being impressed with the vividness of this picture. As to its fidelity to reality, there can be little question. An prohibition enforcement officer judge of newspaper man can attest to its truth.

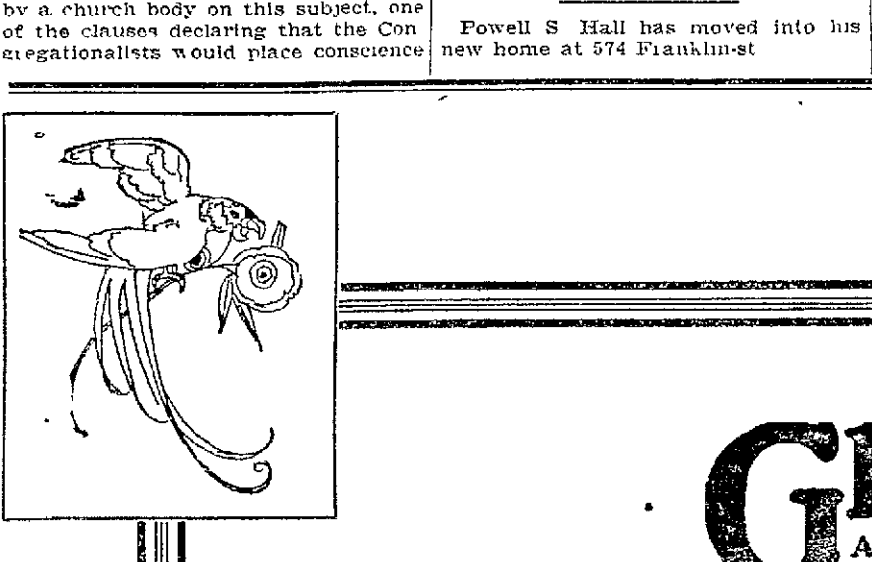

The story is built around the experiences of a family that left the beaten trail of its sedate existence to frequent a path that from the outset could spell only the utmost folly. A rich man awakened to the fact that he is no longer rich.

THRILLING RAILROAD STORY HERE

"A Fight for Honor," the thrilling railroad story which will come to the New Bijou Theatre Friday and Saturday has enough in it to keep you out of your seat during the whole performance. It deals with the choice that a girl had to make between her sister's honor and the life of her lover who was engineer of the limited as it came thundering on its way to destruction over the blown up bridge.

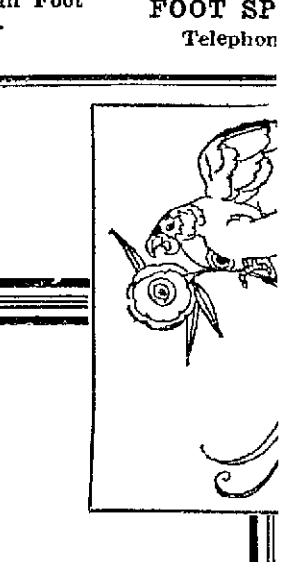

Eva Novak and William Fairbanks with a large and excellent supporting cast give a performance that ranks up with the best in their careers. The picture is the third of a series of eight high powered features known as "Perfection Pictures." The action is under the eye of Henry MacRae who

understands the technique of putting action where it belongs. It is predicted that this picture will bring long remembered.

APPLETON, WIS. WHERE LOWEST PRICES PREVAIL

Says Allenrhru Surely Conquers RHEUMATISM

Mr. James H. Allen of 26 Forbes street, Rochester, N. Y., suffered for years with rheumatism. Many times the terrible disease left him helpless and unable to work.

He finally decided after years of ceaseless study that no one can be free from rheumatism until the accumulated impurities commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted a physician and was given a prescription and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery which he called Allenrhru to others who took it with what might be called marvelous success. After years of using he decided to let sufferers everywhere know about his discovery through the newspapers.

The blessed relief this marvelous prescription quickly gives has made for it thousands of friends. Says Vogel's Drug Store and Schultz Bros. Co. who have been appointed agent in your city. It is Mr. Allen's own discovery.

WEST GREEN BAY PLAYS HIGHS HERE SATURDAY

Contest Will Decide Superiority After 6 To 6 Tie Last Season

Inlanders Have Record of Six Defeats and One Tie Game in Past Seven Years to Even Up

West Green Bay Saturday will invade this city to meet Appleton high on the Lawrence grid, in an attempt to break the series of Orange victories which has extended through the last seven years. Last year the two squads played to a 6 to 6 tie, and this year a defeat for either team will knock the losers prospects in the championship race for row.

The Appleton squad is practically intact after defeating Kaukauna last Friday, and with the exception of Baehme who became ineligible this week, the same lineup will be used that started at Kaukauna. Frazer, flanker end, has an injured hand, but it is expected he will be in shape for the West Green Bay tilt.

Coach Jule Kevin has been teaching his youngsters several new plays in preparation for Saturday's tilt. In expectation of a hard fracas. Passing also plays an important part in the workouts, and the huskies are beginning to show considerable improvement in handling the ball.

Pumling has been one of their greatest drawbacks this year, but if West Green Bay is banking on that weakness, the invaders probably will be sadly disappointed.

Coach White of West Green Bay has been forced to go easy with his men this week because of the large number of cripples, according to reports. Press comments from Green Bay are not particularly optimistic. One of them says:

Coach White has eased up some in this week's practice because of the number of cripples on his squad. Most of them, however, will round in to shape before Saturday with the exception of Terry end and Hogan, tackle. Terry is out with a cracked rib and Hogan is still ailing from his injured knee. It is probable that White will use the same lineup in this week's game as started at Manitowoc game last week with Rasmussen taking Terry's place at end. From the practice work this week, West probably will depend a great deal upon their aerial play to down the Appleton squad on the College City field.

It is probable that West will be backed by a delegation of 200 rooters when they take the field for the game at Appleton.

O. Tarnow Tops Individual Bowlers With Average of 168 in 15 Games

After slightly more than a month of bowling in the First English Lutheran Brotherhood league during which time they rolled 15 matches, the Elms are leading in the race with 11 won and 4 lost, giving them an average of 733. The Maples, second in the running, are one game behind with an average of 667.

O. Tarnow of the leading five heads the league in individual standings with a 168 average. F. Reuter, a member of the Cedars who are third in the race, is second with 160, tied with Walter Betzel, also of the Elms.

BELOIT IN SHAPE FOR BATTLE WITH CORNELL

Beloit—Calling a halt to hard workouts after two days of scrimmages, Coach Tommy Mills of Beloit college sent his men through a snappy signal drill here Wednesday afternoon. The same program will continue throughout the week getting ready for Cornell at Rockford on Saturday.

Childs, sophomore center candidate, will probably replace Rowthum at that position when the game starts on Saturday. With Childs on the team Beloit will have three new sophomores playing their first game as regulars. The new backfield is beginning to take form and its offensive strength is increasing.

In order not to compete with private storage enterprises the public customs warehouses of Vienna make their rate 16 per cent higher.

PRINCETON AND HARVARD DRILL FOR HARD GAME

Coaches Roper and Fisher Use Opposite Methods on Practice Fields

New York—Bill Roper of Princeton and Bob Fisher of Harvard are using opposite methods to prepare their eleven for the first of the Big Three football battles between these two rivals at Cambridge Saturday.

Roper, known as a psychologist, is coaxing his squad into condition with maxims and inspiration, and is adhering to his new policy of eliminating actual scrimmage from practice.

Dolph Cheek will not be able to play against the Tigers, and Jake Stafford, an elusive runner, appears to be favored to direct the attack against Princeton.

Other squads are preparing for their remaining hard games of which few will be played this Saturday, which seems, by general consent, to have been agreed upon as a sort spot on the schedule by the major eleven.

Yale will meet Maryland, Brown will take on Haskell, Dartmouth will ease up with Boston university. Cornell will play Susquehanna, Syracuse will face Niagara and Georgetown is not likely to disturb Pennsylvania's position as the only team in the east neither defeated nor tied.

Navy ordinarily would not be seriously threatened by Vermont but the sailors have had such a wretched season that anything may happen. Army will meet Florida. Penn State meets Carnegie tech, which may upset the Nittany lion. Lafayette plays Rutgers, which has not yet been defeated this season.

Colgate and West Virginia, Holy Cross and Lehigh and Boston college and Marquette appear to be natural rivals certain to result in hard fought contests in this week-end.

WOLVERINES PLAY FRESHMAN SQUAD

Yearlings Use Northwestern Plays in Scrimmage with Regular Eleven

Ann Arbor—Thursday's workout in preparation for the Purple who journey here from Evanston next Saturday took the form of critical inspection of the individual duties and specialties of each man after which signals were run through repeatedly until the varsity was called for dummy scrimmage against the freshmen.

Ed. Mather, freshman coach, had been priming the yearlings on Northwestern plays and his squad carried the ball most of the time, walking through each play as coaches corrected line and flankmen.

Secret practice will continue all week, according to Coach George Little.

Lawrence Makes Use Of Week's Rest To Develope New Plays

Coach Mark Catlin Devotes Considerable Time to Drilling Individuals Before Hamline Contest

With an open date ahead of them this week the Lawrence griders were taking advantage of the opportunity to develop several new formations in preparation for the Hamline game which will feature the Lawrence homecoming here on Nov. 15. They went through the heaviest workout of the week Wednesday afternoon, scrimmaging a squad of second stringers, passing and going through signal work.

Hamline is doped as an easy victim this year with but three or four letter-men on the squad, but with their use with Ripon still ranking, the Blues intend to avoid a repetition of the performance and will not let overconfidence spoil their prospects.

The loss of Cooke and Olsson forced Coach Mark Catlin to try out new men for end and center, for the two veterans are out for good, being ineligible because of the nine-semester rule. Boettcher has played and several times this year with considerable success, and Elphie made an excellent showing at center in the Iowa game. Probably these two men will fill the vacancies permanently hereafter.

The rest of the Lawrence lineup will be unchanged, according to Catlin. He is devoting considerable time to individual coaching this week which he has been unable to do hitherto. Nason, a fast backfield man who looks like one of the best prospects for next year, and Hildebrand, a going through stiff workouts in blocking and tackling under Catlin's personal supervision, and several of the other men also are getting individual drill.

DIGSKIN PRIMER

Can a player be shifted from a line position on offense to a backfield position on defense?

A player occupying the position of center, guard or tackle on offense can be shifted back of the line on defense.

What conditions govern the position of the players in a shift play, when a majority of the men are out of their natural position?

In all shift plays the players must come to an absolute stop in their own position and remain there long enough to prevent any doubts in the minds of the officials as to the legality of the play. Since the shift play depends on speed for deception and success, such plays are often ruled illegal by the officials who set up the claim that the players failed to come to a stop in their new positions.

Can the players be in motion before the ball is kicked on the kick-off?

They certainly can, provided they are on-side when the ball is kicked.

YALE REFUSES TO PUT NOTRE DAME ON MENU

New Haven, Conn.—Yale and Notre Dame will not meet on the gridiron in 1925. It was officially announced at Yale Wednesday.

C. W. Mendell, chairman of the athletic board of control, said there had been no negotiations between the two institutions and owing to the top-heaviness of the Yale schedule there would be none.

CHICAGO PLANS TO USE HEAVY ATTACK IN MEETING ILLINI

Stagg Will Attempt to Spoil Interference for Red Grange Saturday

By Associated Press
Chicago — A smashing attack to combat the ground gaining and point scoring propensities of "Red" Grange, Illinois ace, will be Chicago's chief weapon in its attempt to batter the Illini from the western conference pin-nacle here Saturday.

The veteran Coach Stagg has a forward wall which he has drilled to break through the Illini defense and spill Grange's interference and hurry the passing of Zupke's backs as well as hold the Illini line sallys and open the way for Chicago's plungers.

Injuries affect Illinoi's potential battle front. Harry Hall, Lou Ellmer and Wallie McIlwain will be handicapped if they participate. McIlwain is an important cog in interference for Grange who nurses a slightly sprained ankle.

An injured foot may keep Captain Stager of Michigan out of the melee with Northwestern at Ann Arbor. Otherwise the Wolverines are in fine fettle and hope to emerge from the game victorious, with a prospect of finishing the season with only the defeat by Illinois marring their record.

Ohio's preparation for Indiana at Columbus is designed to result in marking up another tally in the Buckeyes' win column while the Hoosiers aspire to make the game an opportunity to emerge from the cellar position of the conference.

Wisconsin's interference is taking polish for Notre Dame, for which it has been grooming for a fortnight. The Rocknemen may be compelled to use subs for Captain Walsh, center, and Stuhldreher, quarterback, but much of the material of stellar quality is available.

Preparations have reached the final stage at Minnesota, Iowa and Purdue who take on Ames, Butler and De Pauw respectively, in non-conference games.

POLICE QUELL RIOT AT WRESTLING MATCH

Chicago—Police were called to clear the ring and quell a disturbance which arose in the Coliseum Wednesday night when Jim Londos, Greek heavyweight wrestler, defeated Renato Gardini, Italian, two out of three falls.

The trouble began in the first fall when Gardini persisted in applying a strangle hold although he was warned by Referee Tracy Gardini was struck by Nick Londos, cousin and chief second of the Greek, who jumped into the ring. The referee awarded the first fall to Londos. The remaining falls were scored clean, but manifested dissatisfaction among the spectators caused the calling of extra police squads.

New York—Morrie Schallfer of Omaha was matched with Dave Shaefer, California contender for the welter-weight championship, in 12 rounds at New Ark, Dec. 4.

New York—Quintin Romero of Chile and Sully Montgomery, Centre college football star, fought a six round draw.

AUTOIST IS FINED AFTER ACCIDENT

Walter Kopitzke, Fremont, Had
License Plates Belonging
to Garage

Special to Post-Crescent
Fremont—An accident on Poyssippi
Omro-d Sunday night resulted in a
fine of \$10 and payment of costs in
municipal court at Oshkosh for Wal-
ter Kopitzke, who resides south of
Fremont. He was charged by Sheriff
Peter Carlson of Winnebago with
driving a car without proper license
plates.
Kopitzke's Oakland sedan driven by
Grant McLellan of Poyssippi, and a
coupe owned by R. Schroeder, col-
lided on the Poyssippi-Omro-d. The se-
dan was overturned into the ditch
with its three men occupants, none of
whom was hurt. The top of the car
was damaged, the windshield broken
and a wheel badly bent. A young wo-
man accompanying Mr. Schroeder
was said to be hurt slightly.
Sheriff Carlson of Oshkosh was
called to the scene and discovered that
the license plates on the Kopitzke car
belonged to a garage. He therefore or-
dered the man to appear in court, and
the \$10 fine resulted.

The Best Cough Syrup is Home-made.

Here's an easy way to save \$2, and
yet have the best cough remedy
you ever tried.

You've probably heard of this well-
known plan of making cough syrup
at home. But have you ever used
it? Thousands of families, the world
over, feel that they could hardly keep
house without it. It's simple and
cheap, but the way it takes hold of a
cough will soon earn it a permanent
place in your home.
Into a pint bottle, pour 2 1/2 ounces
of Pinex, then add plain granulated
sugar syrup to fill up the pint. Or,
if desired, use clarified molasses,
honey, or corn syrup, instead of sugar
syrup. Either way, it tastes good,
never spoils, and gives you a full pint
of better cough remedy than you
could buy ready-made for three times
its cost.
It is really wonderful how quickly
this home-made remedy conquers a
cough—usually in 24 hours or less.
It seems to penetrate through every
air passage, loosen a dry, hoarse or
tight cough, lifts the phlegm, heals
the membranes, and gives almost im-
mediate relief. Splendid for throat
tickles, hoarseness, croup, bronchitis
and bronchial asthma.
Pinex is a highly concentrated com-
pound of genuine Norway pine ex-
tract, and has been used for genera-
tions for throat and chest ailments.
To avoid disappointment ask your
druggist for "2 1/2 ounces of Pinex"
with directions, and don't accept any-
thing else. Guaranteed to give abso-
lute satisfaction or money returned.

Alaska Reindeer Meat

The Bonini Meat Market

received today two Reindeer of a carload shipped into the State
of Wisconsin. This shipment was made to introduce this delicious
meat to the consumers of this state, and is being sold at prices
within the reach of everyone, considering the distance covered in
transporting these deer to the states and the cure and expense of
keeping it frozen to its destination it is retailing at less than the
price of Home Grown Lamb and is much more succulent and tender
than anything in meat raised in this country.

Let us serve you with a choice Steak or Roast.

(REG. U.S. PAT. OFF.)
A PERFECT
GASOLINE

Cold weather, at best, is hard on a
motor. Treat it fairly by giving it
every advantage.

You expect the same kind of perform-
ance in winter that you get in sum-
mer. And you can have it.

Use Solite—a light, volatile gasoline,
superior to any of its kind.

Why? Because it gives you all the
snap in starting, get-away and pick-
up, that any high-test gasoline will
produce, but, in addition, it gives
maximum power and speed—because
it drives the piston the full stroke
under power.

That is the ultimate in light gasoline
performance.

If you want a little quicker action
and are willing to pay a little more
to get it, Solite is the answer.

POETTER DEMANDS GOODLAND RETRACT CHARGE TO COUNCIL

Building Inspector Writes Letter Declaring Mayor Was in Error

Exception to statements made by Mayor John Goodland, Jr., at a recent council meeting relating to the office of the building department was made by George E. Peotter, city building inspector, in a communication to the common council and read before the meeting Wednesday night.

The inspector not only denied the mayor's statements to the effect that the inspector greatly inconvenienced several visitors by being out of his office nearly all morning one day three weeks ago, but demanded a public retraction from the mayor.

When the inspector at the previous council meeting declared that he had waited on applicants for building permits the greater part of the morning, the mayor shouted he had lied. It was this public denunciation that stirred the inspector to demand a public retraction. The mayor ordered the communication referred to the street and bridge committee. The communication read as follows:

"To the common council: At a meeting of the common council on Oct. 16 his honor, the mayor called your attention to the fact that I was absent from duty in my office on the morning of Oct. 11, thereby causing several persons inconvenience who

GIVES HER COLLEGE AWAY

After spending years building up the physical property and scholastic standing of Cotter College at Nevada, Mo. (one of the buildings of which is shown at the left), Mrs. V. A. C. Stockard (right) has given it away. She donated the school to the Southwest conference of the Methodist Episcopal Church, South. It has an enrollment of 200.

had called for building permits.

"I wish to call your attention to the fact that the mayor is in error when he made that statement." The inspector then named the following persons who had called on him with reference to building inspection: Otto

Hanson, Chris Mullen, Perry Miller and Roy Schabo. "In the face of this evidence," he concluded, "I believe I am entitled to a public retraction by his honor, the mayor. Respectfully yours, George E. Peotter, building inspector."

FILIPINOS HAVE UNIQUE CALENDAR

By Associated Press

Manila—The Ifugao, an industrious non-Christian tribe inhabiting the Mountain province, have a calendar all their own, according to Dr. H. Otley Beyer, head of the department of anthropology of the University of the Philippines. When an Ifugao wants to know what day of the month it is, he does not consult an almanac but asks the "Tumunoh," the clan astronomer, calendar keeper and model husbandman. There are some 60 Ifugao clans and each has its "Tumunoh," who is considered the most important personage in the tribe.

Their calendar has 13 months divided into 23 days each. They know there is one day more in each year and this extra day is called "Tungo," the last day of their year. "The 'Tumunoh' cultivates certain plants in an isolated spot where the temperature is relatively uniform and from the budding of these plants he claims to tell the exact date of the month or year. He knows that 365 days a year is not exactly correct when a leap year comes around, but he keeps silent and does not tell his people about the extra day.

The "Tumunoh" advises the people of the date to begin harvesting and the date to start the harvest.
